Mackmyra was established in 1999 by 8 friends who questioned why there were no whisky distilleries in Sweden so set about to change that. Brukswhisky is their core whisky, aged in a mixture of ex bourbon and sherry barrels but also Swedish oak barrels. The result is a light and fragrant whisky, with slight hints of smoke and green fruit.

Coffee

Our coffee is supplied by the Cornwall based Origin coffee, one of the leading independent artisan coffee roasters in the country. They firmly believe in operating ethically and their coffee beans are directly sourced from the farmers, cutting out middle men. The result is being able to source consistently high quality coffee, while also ensuring farmers receive at least 50% over and above Fair Trade prices.

We use their 'Resolute' blend, which uses coffee beans from Colombia, Nicaragua & El Salvador, all directly bought from the farmers that grow them.
