**West Cork 10 Year Old Single Malt Irish Whiskey** £5  
40%, Cork

*The most southerly distillery in Ireland, which triple distils all of it's whiskey in pot stills, uses only Irish grown barley, malts some of it's own barley on site, and uses natural spring water in all of their processes. A lot of the equipment at the distillery was also hand built by the team working there. Chocolate and vanilla notes with subtle spice.*

## Japanese Whisky

---

**Nikka All Malt, Blended Malt Whisky**  
40%, Hokkaido

£6

*One of the leading lights of Japanese Whisky, Nikka was founded by the father of Japanese Whisky Masataka Taketsuru. Taketsuru learnt about whisky in Scotland, and once he returned to Japan put what he learnt to use. First working for Suntory, before in 1934 setting up the Nikka Yoichi distillery in a climate very similar to that of Scotland. This whisky is a blend of single malts created at both of their distilleries in Japan and is a perfect introduction to Japanese whisky, with lovely light smoke and dried fruit.*

**The Hakushu Single Malt Whisky Distillers Reserve** £8  
43%, Chubu

*Hakushu in Japanese means applause, and is a wonderful whisky created deep in a volcanic, temperate rain forest surrounded by green trees and foliage. A blend of whiskies from the distillery, this is a perfect showcase of what Hakushu is about with smoke and oak mixing with light mint and fresh grass.*

**Nikka Coffey Malt Whisky**  
45%, Sendai

£8

*In 1969 Nikka opened their second distillery 'Miyagikyo' in Sendai, after Masataka Taketsuru accidentally stumbled on the location and thought it would be a perfect place to make whisky. Particularly to make softer and more restrained whiskies to complement the big, smoky whiskies of the Yoichi distillery. This has been distilled on ancient 'Coffey' stills from the 19th century, creating a light and fragrant spirit, with light spice and brown sugar.*

## World Whisky

---

**Mackmyra Brukswhisky, The Swedish Whisky**  
41.4%, Sweden

£6

*Mackmyra was established in 1999 by 8 friends who questioned why there were no whisky distilleries in Sweden so set about to change that. Brukswhisky is their core whisky, aged in a mixture of ex bourbon and sherry barrels but also Swedish oak barrels. The result is a light and fragrant whisky, with slight hints of smoke and green fruit.*

**Starward New World Malt Whisky**  
43%, Australia

£7.50

*Made using 100% Australian malted barley, then mostly aged in ex Australian fortified wine barrels which have been re-coopered and charred. A uniquely 'New World' whisky, with rich intensity from the wine barrels, backed up with malt and spice.*
